

Kronos from Home

Access Kronos, Renown's HR and Payroll system, from your home computer.

Go to website: <https://workforce.renown.org/wfc/logon>

Enter the same username and password you use at work to access Kronos.

Use the Internet Explorer web browser to access all the features of Kronos. Using other browsers like Chrome, Firefox, etc. will cause Kronos to not work correctly.

NOTE If you have not yet logged into Kronos from a Renown Health computer, the Kronos from home website may not recognize your information to allow you access. Contact the Help Desk at 775-982-4042 for technical assistance.

Kronos Workforce Mobile

You also have the ability to access Kronos from your smartphone.

ANDROID

Android users should download the application from the Google Play store. Be sure to download the application named: "Kronos Mobile".

Once installed, the application will need the server address for Renown. The address is:
<https://workforce.renown.org/wfc>

Please use the same Kronos user name and password that you use at work.

If you are an employee and need additional assistance, please visit:
